CHIP AWARD SPOTLIGHT

Priscilla Watkins—Event & Guest Services

A guest that was seated in 106, told the Director of Guest Services after the game on Saturday about the wonderful customer service that Priscilla Watkins had provided her and the others in the section. The patron walks with a cane and Priscilla was very attentive to her while she was coming and going from the section. Priscilla even helped carry food down the stairs while the patron settled into her seats. She stated that Priscilla was very welcoming and helpful with the other guests as well. Great Job, Priscilla!

Protect Yourself During Flu Season

Flu season typically begins when cold weather strikes and can last into spring. For many people, the seasonal flu is a mild illness, but for others it can result in serious infections or hospitalization. Preventive health measures are even more necessary during this season and workplaces of every type should be proactive to keep employees safe and business operating as usual.

Preventative Measures

- Wash hands frequently
- Tissues should be discarded immediately after use - provide waste receptacles.
- Thoroughly clean work stations, door knobs and telephones. .
- Contact your local health department and other organizations for up-to-date information

Vaccinations

- Health professionals recommend a yearly seasonal flu vaccine.
- Everyone over the age of 6 months is encouraged to get vaccinated
